The Business & Management Review Information for author

Copyright Policies for Open Access conference proceedings

The Academy of Business & Retail Management Research is fully committed to transparency in regards to the issue of copyright and copyright ownership. Authors who submit papers to the **Business & Management Review** retain ownership of their original material. Although as part of the open access process authors permit other individuals, organisations and institutions to access the said material. Whilst other parties may well access materials if they quote from them they are expected to fully credit the author/authors. It is important to remember that the rights of authors are granted and apply only to articles for which you are named as the author or co-author. The author's rights include the following:

- The right to make copies of the article for your own personal use (including in the course of academic teaching and other scholarly endeavours)
- The right to reproduce and distribute copies of the article (including in electronic form) for personal use
- The right to present the article at conferences and meeting and distribute copies at such gatherings
- You have patent and trademark rights to any process or procedure described in the article that was formulated by the author/authors
- The right to include the article in full or in part in a thesis or dissertation provided that this is not published commercially
- The right to prepare other derivative works, to extend the article into book-length form, or to otherwise reuse portions or excerpts in other works, with full acknowledgement of its original publication in the journal

Copyright Notice

Authors who submit papers that are submitted and accepted for publication in the **proceedings** agree to the following:

- Authors retain copyright and grant the journal right of first publication with the work simultaneously licensed under a <u>Creative Commons Attribution License version "CC BY 3.0</u>"(this allows others to share the work with an acknowledgement of the work's authorship and the place of first publication)
- Authors are perfectly entitled to enter into separate contract arrangements for on-exclusive distribution of the journal's published version of the work providing there is an acknowledgement of its initial place of publication
- Once submitted and accepted papers can post-print provided they are in the same format as it appeared in the proceedings, however, pre-prints are not permitted.
- Authors may use data contained in the article in other works that they create
- Authors may reproduce the article, in whole or in part, in any printed book (including a thesis) of which the author, provided the original article is properly and fully attributed
- Authors and any scholarly institution where they are employed may reproduce the article, in whole or in part, for the purpose of teaching students

Open Access rights and Permissions for our Open Access

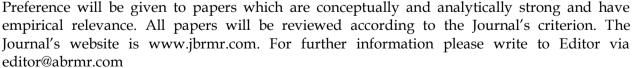

Articles can be distributed under the terms of the <u>Creative Commons Attribution (CC-BY)</u> licence. Authors retain full ownership of the copyright for their article, but undertake to allow anyone to download, reuse, reprint and distribute the article. Authors are permitted to post the final, published PDF of their article on a website, institutional repository or other free public server, immediately upon publication, provided, a link is included between the web page containing the article and the journal's website.

JOURNAL OF BUSINESS AND RETAIL MANAGEMENT RESEARCH ISSN (Print) 1751-8202 ISSN (Online) 2056-6271

The JBRMR, a scholarly and refereed journal, provides an authoritative source of information for scholars, academicians, and professionals in the fields of business and retail management and is publicised twice a year. The journal promotes the advancement, understanding, and practice of business & retail management. It is peer reviewed and is the main research platform of The Academy of Business & Retail Management (ABRM). Scholars across borders are encouraged in advancing the frontiers of management education, particularly in the area of retail trade. Contributions should therefore be of interest to scholars, practitioners and researchers in management in both developed and developing countries targeting a worldwide readership through both print and electronic medium.

Although broad in coverage, the following areas are indicative and nurture the interests of the Academy with a "retail" underpinning:

- » Business Ethics and Legal Issues
- » Business Environment
- » Business Policies, Strategies, and Performance
- » Business and Retail Research
- » Business Security and Privacy Issues
- » Consumer Behaviour
- » Emerging Advances in Business and its Applications
- » Innovation and Product Development
- » International Business Issues
- » Management and Retail Marketing
- » Marketing Management and Strategies
- » Relationship Management
- » Risk Management
- » Retail Management and Communication
- » New Venture Start-up
- » Retail Buying
- » MIS and Retail Management
- » Demographics and Retail Business
- » HRM and Retail Business
- » Innovation in Retail Management
- » Law and Management
